Badge Backers

If you don't have space on your ID card to include the *person's title or credential*, then a Badge Backer is your solution.

This product hangs behind an ID badge and is larger in size. The top portion of the Badge Backer covered by an ID badge can either remain blank or a special code or company policy can be printed on the credential.

You can choose to have several badge titles, colors, or designs within one order.

- **DESIGN:** Full customization available. Our graphics team will work with you to create a design to your liking.
- **MATERIAL:** Laminated Teslin or Revlar
- **DELIVERY TIME:** Delivery time applies for proofs that have been digitally approved by the customer:
 - 10-15 business days
